MEN'S TEAM CAPTAIN

BDO RULE :- NO DRINKING OR SMOKING ON THE STAGE BY PLAYERS OR OFFICIALS. Water will be provided.

I would like to remind you that there is a lot of you who have not paid your registration fee or have not paid any money for your new shirt you had at the beginning of last season, can you please see me at the weekend.

Also Christine Allen would like me to also remind you that if you book a room with her for a away game we have to pay for it up front so if you do not attend the match you will still have to pay for your room as we do not get the money back.

It was brought up for discussion at the AGM about people bringing their own food and drink in to the venue, this is breaking B.I.C.C. playing rule 7.11 if you are found drinking or eating any thing you have brought in to the venue from outside you will be asked to leave the venue by a member of the committee.
